## Meet our Newest Staff Member, Russell

Hi from World Sports Camp headquarters, we'd like everyone to meet the newest member of the family, Russell Chiulli. Russell has joined our team as the Marketing and Outreach Manager. During the summer, Russell will aid in the development of our World Sports Camp athletes by assisting them in reaching their goals. In the off season, Russell will be travelling up and down the northeast recruiting new members and coaches to our World Sports Camp family, as well as handle social media and marketing duties.

Previously, Russell was in charge of social media and marketing for Extreme Field Day for Kids. He also has a very extensive sports background and spent his college years as a head manager for the Seton Hall men's basketball team, and before that he played for the state champion Barrington High School basketball team. He has expertise in training athletes and has a determination that will inspire campers to achieve their personal best.

We are excited to have Russell on board and he looks forward to meeting all of the members of the World Sports Camp family this summer!

## Trips Now Available to All Campers

One change to the 2015 World Sports Camp program is all trips are now available to all campers. In addition to the Six Flags trips which all campers go on, and the white water rafting trip which is available to all campers, we are now making our other trips available to all campers. Campers from the USA will now be able to join the international campers on the trips to New York City, Boston, and the mall in Holyoke for an additional charge. This is a great opportunity for campers who are not from Boston or NYC to see these amazing cities they may not otherwise get to explore.

## Black Friday Special for New Campers

Do you have a friend who you think should experience World Sports Camp? On Black Friday ONLY, we are offering all friends of the WSC family a chance to sign up under last year's rates. Rather than going home and telling your friends about camp why not have them experience it with you!?

If you have any questions about this special offer just contact Terry or Addam and they will be happy to speak to you. If they want to find out about the camp on their own have them check out the new website at [www.worldsportscamp.com](http://www.worldsportscamp.com).

## Hi from Andrew...

*Andrew (Rolls) spent his first summer at World Sports Camp as a tennis coach this year. .*

Hi from the Mitten State (Michigan), I am currently in Grand Rapids, Michigan right now (located on the left-middle side of the hand). I have recently transferred from Michigan State to Grand Valley State to go into their Sports Management program. I am almost done with my first semester now, and so far I love the Grand Rapids area and excited to begin a new chapter of my life here!

Other than school I have been working a few jobs. I have been both working to help setup and run the Grand Valley football games, and I have been working with Grand Valley's student Intramural sport programs that they offers. I have really enjoyed working these jobs so far!

I miss everyone so much from camp! Thank you all for one of the best summers of my life! I hope everyone has an amazing upcoming Thanksgiving and holiday break!
