Terry and Addam's Recent Travels

Terry and Addam have been traveling meeting new campers and getting together with some long time WSC family members from around the world. Check out a few pics from their trips to Paris, Puerto Rico, and Pennsylvania.

Hi from Ziggy...

Ziggy is one of the longest standing members of the WSC family, having been with us for NINE years.

Just wanted to say hi all the way from Maine where it's negative 10 degrees just about every day!

I'm a senior this year and just can't wait to be a college graduate and start fresh in the real world. I got to start on my school's basketball team this year. My senior day was great, just great seeing how much I have grown over the years.

This year will be my tenth year at camp and I'm very excited about it. I can't wait to see all the returning athletes and of course meet new ones and make new friends. As you all know WSC is and will always be my home away from home.

See you all this summer!

-Ziggy
