## Announcing 2 New Partnerships

Last newsletter we told you about our new partnership with the USTA of New England, and now we are proud to announce our new golf and soccer partnerships!

WSC is now a proud partner of **Global Premier Soccer**. Global Premier Soccer is the largest youth soccer organization in North America. With the partnership, WSC will be able to utilize the summer camp curriculum that Global Premier Soccer has used with its thousands of athletes each year. In addition, Global Premier Soccer will be providing some of their soccer coaches to assist with the WSC soccer program going forward.

**PGA**<sup>TM</sup>  
**JUNIOR GOLF CAMPS**

WSC is also proud to partner with the **PGA Junior Golf Camps**. In fact WSC is one of the first 15 camps in the country to have this honor. We are incredibly grateful that the PGA Junior Golf Camps has chosen WSC as one of its premier camps in the country. With this partnership, we are now able to also offer golf to our day campers who are interested in learning more about the game.

## Addam at the Masters Golf Tournament

As part of our new partnership with PGA Junior Golf Camps Addam was invited to The Masters golf tournament last weekend. He was given the incredible opportunity to see the greatest players in the world play on the greatest stage in the world. Lucky you Addam!

## Our Favorite Traditions: Six Flags and BBHOF

World Sports Camp's tradition of going to Six Flags during weeks 2 and 4 dates back to the 1990's, and it's still one of everyone's favorite days of the camp season! Whether campers enjoy riding the huge roller coasters (like my favorite, *Bizaro*), splashing around in the water park, or hanging out and playing games, everyone has a great time. We go mid-week so the lines are short and everyone has a ton of fun!!!

Also, just as we have done since 2000, during week 6 basketball players go to the Basketball Hall of Fame in nearby Springfield. This is a once in a lifetime experience for many of our athletes, and it seems like every year campers come back with autographs from a former NBA great. For campers who aren't interested in the Hall of Fame we still have regular activities going on so everyone has a great day!

## Hi from Gui... Everyone's Favorite Brazilian!

*Gui will be returning for 2015, marking his 4<sup>th</sup> year as WSC's head soccer coach*

Hello WSC Family!!!

What's up?

Here in Brazil everything is going great. I just graduated from college with a bachelor in Sports Science.

I have been working as a soccer coach and a strength and conditioning coach here in Sao Paulo.

Hope you are getting excited for the summer. All the staff members are already working really hard to make the best summer of your life.

Can't wait to see everyone again at camp and meet everyone who is new.

Gui
